

GORILLAS

Newsletter: January 2022

Welcome back & thank you

Firstly, I'd like to begin by taking this opportunity to wish you all a Happy New Year. I do hope that you and your family managed to have an enjoyable and safe Christmas break. I would also like to thank you for the very kind gifts the Year 6 team received prior to the end of term.

After a fun-filled final week of the Autumn Term and a much needed end of term break, it is great to see all the children refreshed and ready for another exciting term.

The Curriculum

Maths

We will begin the spring term by beginning our study of percentages. Once we have finished learning about percentages, we will then move on to ratio and then algebra.

English

In English, we will be completing a number of lessons linked to our new topic as well as focusing on our independent writing targets.

A Child's War

With a new term beginning it means the end of our fantastic World War II based topic. Throughout the autumn term all of the children in Year 6 learnt lots of interesting facts and produced some fantastic work. My personal highlight was reading and discussing both of our class texts which were linked to our topic.

Frozen Kingdom

Take shelter from the elements or fall prey to icy winds and the deepest chill. Trek bravely and valiantly across treacherous terrain to the ends of the Earth, treading deep in snow or be pulled by a team of mighty sled dogs. Be alert, for magnificent mammals roam these lands, sometimes hungry or fresh for a fight. Perhaps a hungry polar bear or an Arctic fox is hunting rodents, as swift as the wind!

For the spring term, our topic is based on the planet's coldest lands. Throughout the topic, pupils will have the opportunity to develop their knowledge of different polar regions from around the world.

As ever, we will also have weekly Science, Art and Computing lessons.

Taking responsibility

There are a number of things that Year 6 pupils can do to ensure they are taking responsibility, which in turn will help prepare them better for secondary school. Firstly, ensuring that book bags come into school every day with the correct books (home school record books and spelling record

books). They can also make sure that they have the correct uniform for each day, bring their water bottle and hand in their homework on time.

PE kit should be worn to school on the following days: Tuesday, Thursday and Friday.

Homework diaries

Please ensure diaries (home school records) are signed each week, as not only is this good preparation for secondary school, but it also allows any communication between home and school to be picked up quickly and easily. Please encourage your child to hand their homework diary to a teacher if there is a message that needs to be read urgently.

Homework

As ever, homework will be given out on a Thursday and is to be returned to school by the following Tuesday at the latest. Pupils should take responsibility for ensuring they complete as much of their homework as possible independently and handing it in on time.

Furthermore, spellings will be set on a Monday ready for a spelling test the following Monday. Pupils should be learning these spellings at home in addition to the homework that has been set.

If you are in any doubt about the homework set, please speak to a member of the Year 6 team before it is due in.

Kind regards,

Mr Cunningham & the Year 6 Team
