

# Year 4: Meerkats

## Summer Newsletter

June 2022

### Welcome back

The class have worked extremely hard over the summer term 1 and have learnt so many new things about them. We look forward to more successes over the remaining half of this term.

### Raiders and Traders

We will be continuing with our topic 'Raiders and Traders' this term with the highlight being the trip to the Chiltern Open Air Museum on Tuesday 14<sup>th</sup> June 2022. Details about the trip have been sent out via ParentPay.

### The Curriculum

In Maths this half term, we will be focussing on assessments and we will be revisiting the topics that have been previously covered in the autumn, spring and summer term.

In English, we are going to be looking at a book called Christophe's Story and then the focus is going to be moving on to Poetry.

In Science, we are starting a new unit called 'States of Matter'. We are going to be exploring the different forms, e.g., solid, liquids and gases.

We will also continue to explore music through guitars and will continue to have Italian with Mrs. Wheeler as well as weekly spellings and handwriting.

Our Martin White PE lessons continue to take place on Tuesdays, Wednesdays and Thursdays. Correct kits should be worn and we will continue to use our school grounds.

We're really looking forward to seeing all pupils back in the classroom and hope their positivity continues all the way through to the end of the year!

Thank you for your continued support.

Kind Regards,

Miss Verma and Mrs Kidd
